ACADEMIC BACKGROUND

BE ELECTRONICS AND COMMUNICATION ENGINEERING

Anna University 2013-2017

A dedicated professional with over 7 years of total work experience, primarily in the IT field, along with hands-on exposure to various technical roles. Skilled in web development, especially WordPress, with strong knowledge of HTML and CSS. Over the years, I have developed a versatile skill set that allows me to adapt quickly and perform efficiently in different types of jobs. I am now seeking a better career opportunity where I can contribute my experience, learn new skills, and take on any challenging role with confidence.

PROFESSIONAL EXPERIENCE

Freelancer & Co-Founder

Focused on freelancing and project development, I founded and managed a startup, Ryzowyz, where I led a team and successfully delivered multiple IT and web-based projects.
